

FOR GOOD.
FOR IOWA.
FOR EVER.

ABOUT IOWA COMMUNITY FOUNDATIONS

Iowa Community Foundations are nonprofit, community corporations created by and for the people of a geographic area. We are here to help our donors make a positive impact on their community.

PERSONALIZED SERVICE

You can have ongoing involvement in the use of your gift.

You work with your local community foundation by identifying ways to use dollars from your donor-advised fund to address the issues and needs you care about most. Your grant recommendations are submitted to the local board for approval; the community foundation then distributes the grant dollars.

LOCAL EXPERTISE

Staff members have an in-depth understanding of the issues, opportunities and resources that shape your community.

They monitor all areas of community need — including human services, education, the environment, healthcare, the arts and economic development. They can help you learn more about local agencies and programs that make a difference in areas you care about most.

COMMUNITY LEADERSHIP

Iowa Community Foundations invest in the long term and bring people and organizations together.

We convene diverse voices to address local issues and opportunities. Our business is building community.

Iowa Community Foundations provide a *simple, powerful, and highly personal approach to giving.*

We offer a variety of giving tools to help people achieve their charitable goals. You can give cash, appreciated stocks, real estate, or other assets and receive maximum charitable and tax benefits. For more information and ideas on ways to integrate your financial planning with charitable giving, ask your financial advisor or contact your local community foundation.

Your gifts may be eligible for the Endow Iowa tax credit. Contact your local community foundation to learn more.
